A man dressed as Superman is flying through the air, his red cape billowing behind him. He is positioned in the foreground, moving from left to right. Below him is a large, bright blue swimming pool where several people are swimming. # ATTENTION!

## **Disabled access at Curzon Street Station**

Curzon Street is a grade 1 listed building; built in 1800's. Because of this it has no disabled access to the first floor. Rhubarb will be hosting the seminar and booked portfolio reviews on the first floor. Rhubarb is very aware that it could be an issue. If you have a disability or feel that accessing the first floor may be a problem, please contact Lorna-Mary Webb. We will do our very best to accommodate. Rhubarb is very sorry if this causes any inconvenience.

## **No Smoking at Curzon Street Station / Burlington Hotel**

On July 1st 2007, England introduced a new law to make virtually all enclosed public places and workplaces in England smokefree. A smokefree England ensures a healthier environment, so everyone can socialise, relax, travel, shop and work free from secondhand smoke. Because of this anyone wishing to smoke during any of the 2007 events will be legally required to smoke outside.
